

Parents/Guardians:

Students who dismissed as **CAR RIDERS** MUST be picked up from the loop in front of the school. Please stay in your cars at **ALL** times. Students will be taken to your car. Parents will not be permitted to pick up students at the door.

**WALKERS** will be walked to the front gate by grade level teachers and dismissed to approved individuals. Parents cannot pick up students from the main entrance if they are a walker.

### **NEW RAINY-DAY PROCEDURES**

On rainy days **ONLY**, walkers will be dismissed from the PE Shed. Enter and exit through the west side of the gate to retrieve your child. Parking in the Faculty/Staff lot is prohibited. Students noted as walkers cannot be picked up in the car rider line.

Wednesdays **all grades** PK-2 will be in the PE Shed.

We will continue to dismiss car riders at the front of the school through the drive-thru loop. Please be patient as dismissal will take a little longer in the rain.

It is extremely important to keep **ONE** dismissal method. Students will be taken to the original location designated by the parent.

If you need to change your dismissal designation, please submit the bottom portion of this form to your child's teacher.

We appreciate your help in making our dismissal as fast and safe as possible.
